

# SPICE SPOONS

Much more than just a cooking class, Spice Spoons offers a rich and interactive immersion in Thailand's world famous gastronomy, renowned for its artistry and unique four flavour balance of salty, sweet, spicy and pungent.

Enjoy the opportunity to explore a local market with an expert Thai chef and return to the resort for a tour of our herb garden. Learn about Thai and Southern Thai cuisine's cultural significance and health benefits, indigenous ingredients and cooking equipment, as well as convenient replacements to use at home. Choose from a menu of authentic regional recipes from across Thailand, including age old southern specialties. Cook your favourites in a step by step class in our Spice Spoons show kitchen outside High Tide restaurant, and then savour your creations for lunch in tropical surroundings. Master decorative culinary talents with the option of adding a fruit and vegetable carving class at Eclipse Bar or discover exotic wellbeing with a programme that includes a relaxing Thai massage.

Leave with wonderful memories and impressive new skills to entertain family and friends back home, as well as a Spice Spoons shopping bag containing a certificate, apron and a USB flash drive with all recipes.

To book, please contact the Discovery Host at least 24 hours in advance.
