

INSPIRED CELEBRATIONS

Weddings in legendary style at
Anantara Chiang Mai Resort

Inspired Celebrations draw on rich Thai traditions and international style, against an enchanting Mae Ping River backdrop.

Have the perfect proposal with Dining by Design or as you release flame lit lanterns.

Our wedding coordinator will realise every detail of your wedding. Exchange vows during a northern Lanna or western ceremony on our riverside lawn, rooftop terrace or in the Colonial House. End the day with customised dining and entertainment.

Indulge with unforgettable Chiang Mai experiences during your honeymoon in northern Thailand. Return for anniversaries that reflect your evolving love.
