

# Silk rhythms...

## Anantara Phuket Villas launches 'Infinity Sunsets' with Jim Thompson Silks and DJ Charles Schillings on 4<sup>th</sup> December.

Guests can chill out and mingle beside Anantara Phuket Villas' infinity pool, sample cocktails created by international mixologists, enjoy a unique barefoot Coastal BBQ served in the infinity pool or snack on delicious Thai food from the markets stalls located on the lawn, and groove to the beats of international DJ Charles Schillings until late.

Charles Schillings is known for mixing eclectic and melodic House with Rock, Electro-Funk, Soul, Groove and Jazz. His resume includes sound design for Karl Lagerfeld and French brand Céline since 2006, along with spinning at special events for Calvin Klein, Louis Vuitton and Armani.

Thailand's famous Jim Thompson Silks will also be showcasing their new beach and coastal wear collection in a never before seen fashion show.

The background of the entire page is a photograph of a resort path at sunset. The path is paved with dark stones and leads towards a thatched-roof pavilion in the distance. On either side of the path are large, ornate stone planters containing fire pits with bright orange flames. Tall, thin trees line the path, and several blue flags are visible on the left side. The sky is a mix of orange, pink, and blue.
