

TAKE AN ARABIAN
VOYAGE OF DISCOVERY.

ANANTARA
HOTELS • RESORTS • SPAS

THE SPIRIT OF ANANTARA.

Anantara: Sanskrit for 'without end', the word evokes freedom, movement and harmony that are the spirit of an Anantara experience.

Each Anantara hotel, resort and spa draws its strength from the rich cultural traditions, historic heritage and natural beauty of its destination. As such, every experience is a unique voyage of discovery and inspiration that is distinctly Anantara.

The Anantara experience was born in Thailand in 2001, where with the launch of the first Anantara resort, we sought to bring our guests closer to the heart of the rich culture and history of the destination.

Today we continue our quest to connect travellers with memorable experiences.

ANANTARA VALUES. GENEROUS ARABIAN HOSPITALITY.

In 2008, we brought the Anantara experience to the Middle East, recognising the significant links between the Anantara vision and the values stemming from the rich Arabian culture.

The Anantara core values of inspiring passion and rewarding experiences embody the essence of Arabian hospitality which is reflected in each of our unique destinations in the region.

Unravel a world of laid-back luxury, intuitive service and discovery at one or more of our Anantara Middle East destinations.
